

# Defender® PUSH BUTTON KEY SAFE

As rated on  
**amazon**  
★★★★★

**With its full-length weatherproof polyurethane cover the Defender Push Button Key Safe provides secure internal or external storage for large bunches of keys and access cards.**

The large easy-press buttons are ideal for use in badly lit areas or where users have poor eyesight and the safe automatically resets itself when the door is pushed shut.

- **LARGE 7MM EASY-PRESS BUTTONS** - make the safe ideal for use in poorly lit areas or where users have poor eyesight
- **LARGE CAPACITY AND BUILT-IN KEY HOOK** - with space for multiple keys and fob
- **FULLY WEATHER RESISTANT** - with thermoplastic urethane cover for complete protection against the elements
- **AUTOMATIC LOCK AND RESET** - when the hinged lid in closed
